

## BARTH WINDY HOSE WINDER

### Your Benefits

- + easy handling
- + adjustable hose guide
- + ergonomic design with wheels for an easy transportation

### Would you like to wind a smaller amount of fire hoses?

Our new manual hose-winder BARTH WINDY will be the perfect hose-winder for you! All hoses up to 75 mm (3") and a maximum length of 30 m (100 ft) can be stretched or center folded (dutch style) with the manual hose-winder.

### The handling ...

... is characterized by the easy handling due to the hose guide, which guarantees an exact and proper winding of the hoses. The unwinding brake avoids that the hose rolls off by itself after and during the winding process. The integrated transport wheels and the baseplate guarantees also a stable stand, ergonomic use and easy transportation.

### Technical Specifications

Product Code	156800
max. coupling size	Storz B75 mm / 3"
max. hose length	30 m / approx. 100 ft
Ø-Winding disc	550 mm
Ø-Transportation wheels	100 mm
Dimensions	1.300 x 650 x 550 mm
Weight	24 kg
